

Baylac

Named after a relatively obscure Art Nouveau designer and the creator of the poster, Baylac has condensed proportions and lush curves which give it drama without diminishing its versatility.

Evita

Unlike most scripts, Evita is upright with characteristics of a serif typeface. The end result is a charming design that is light, airy—and just slightly sassy.

Marnie

*Marnie is elegant, inviting—and absolutely charming.
The design easily captures the spontaneous qualities of
hand-rendered brush lettering.*
